Submitted by Paul Roy President, 917-577-3737 pauldenisroy@aol.com.

I look forward to seeing many of you at the November 10 kick-off meeting. We had about 80 attendees last year. I look forward to a strong turn-out again this year. Please join us and hopefully win some tricky tray items!

If you are inclined to help out the Club - the Vermont Lodge in particular, there's a work weekend Friday to Sunday November 13 to 15. There is enough work for everyone to do regardless of skill level. There's a hiking event immediately following the November work weekend.

LODGE REPORT

The winter season is almost here!! The last hints of summer have transformed into the colors of autumn....and even those colors are falling to the ground. By the time November ends many of your favorite trails will be white with snow and open for early-season turns. Your Lodge has had a wonderful warm-weather season and we cannot wait to see you. Winter Lodge rates resume on November 1st ....be sure to review all Lodge regulations to help ensure a wonderful experience when you visit Vermont.

October was a fantastic month at the High Life Lodge. The month began with the (now annual) motorcycle weekend. Nine riders (lead by Club member John Bossolt) toured the expansive views of Vermont and enjoyed the warm hospitality of the High Life Lodge. Plans are already in the works for Motorcycle Weekend 2027....stay tuned!

The Lodge Committee is grateful for the 20+ members who participated in the October Work Weekend. The paint project on the back fire-escape was completed, the outside property was cut-back and cleaned, and several other maintenance projects were accomplished under house-mom Ken Chodkiewicz's guidance. Workers were able to enjoy an amazing dinner prepared by Lisa Heims, and Kerry Klotz (along with her friends Margaret and Rita) enhanced the Saturday fun.

The final Work Weekend of 2026 will be held November 13-15th. This weekend will focus on cleaning the Lodge and preparing it for our winter season!! Chris Cooney is taking signups for the event now (**chriscooney5150@gmail.com** or 201-400-4021). In addition to creating a spotless Lodge, the weekend will feature a Saturday fundraiser "Novemberfest"dinner plus some other surprises (rumor is that Kerry and her friends Margaret and Rita will be in attendance). All workers enjoy complimentary Friday/Saturday night Lodge fees as well as a complimentary lunch on Saturday! Will Killington be open?? Extend your stay and grab some first-turns!!

The Committee is excited that Club Executive Board member Jason Briggs will be hosting some hiking friends from the Tri-State Ramblers from November 15-19 th . We hope that Jason and his group of advanced hikers have a wonderful experience in Vermont.

The Stifel Women's World Cup returns to Killington Thanksgiving Weekend. The world's best female slalom and giant-slalom skiers (including Vermont's favorite Mikaela Shiffrin) will once again tear up the Superstar trail...and Killington is throwing a huge party to celebrate. Check out the Killington web page for event details, and make your Lodge reservations with Ken Chodkiewicz!!

The Winter Lodge schedule is not quite ready yet....as soon as it is you'll be able to find it on the High Life Web Page.

Please read the updated guideline article (as well as updated schedule) included in the Sitzmark. This article is designed to help each of us navigate the Lodge reservation process. The guidelines continue to evolve based on feedback from members, Lodge Trustees, and Club Leadership. Please read the article and call me if you have questions. In addition, if you see something awry at the Lodge or have a concern, please contact your house-mom (or any house-mom) as soon as is reasonable.....don't wait until you get home....Thank you in advance!!

The Lodge Committee wishes everyone a beautiful November and Happy Thanksgiving!!
-Chris Cooney
Lodge Chairperson

Thank you to Kenny Chodkiewicz for being a great mom and leading the work weekend efforts. Thank you to Lisa and her crew for their delicious meals and to Kerry Klotz for her tasty margaritas. October 15

The High Life Ski Club recently hosted an action-packed pickleball event at Pickleball Palace, bringing members together for a fantastic day of friendly competition and camaraderie on the indoor courts. The energetic gathering featured exciting doubles matches across the blue courts, complete with club banners displayed overhead and plenty of spirited rallies right up at the kitchen line. It was a wonderful opportunity for the group to trade their ski gear for paddles, enjoy some great athletic activity, and share plenty of laughs both on and off the court.

LODGE GUIDELINES

Hello High Lifers!

With the increasing demand of Lodge use the Lodge Committee would like to streamline the communication process as it pertains to making Lodge reservations. This document is meant to be dynamic and will be continuously updated as we figure out what works and what doesn't. The Lodge Committee asks all members to take the below guidelines into consideration as you make your Lodge reservations. Remember....the key to an effective reservation is to have clear and comprehensive communication with your House-mom. As of November 1st, the Lodge will be collecting Winter rates for Lodge use. Please see the Lodge Rules and Regs for the current rates or ask your House-mom.

All reservations must be confirmed directly with a house mom before a payment is made. *Failure to do so will result in a mandatory $5 penalty to be paid into the Lodge Supply Bucket.*

Guidelines for paying for Lodge stays through Zelle

For those who wish to utilize Zelle to pay for their Lodge usage, please be aware of the following guidelines:

1. **Members (only) can pay for Lodge stays and events electronically using the Zelle app on their mobile device.**
2. **NO ZELLE PAYMENT is allowed until after you've communicated with the house-mom and have a confirmation for your stay. If a payment is made prior to confirmation from the house-mom, a *$5* penalty will be assessed.**
3. **Zelle can ONLY be used for payments. *No refunds will be made once a Zelle payment is confirmed*. If a change to a reservation is made and is compliant with the Lodge rules, a credit will be issued.**
4. **If a member uses Zelle for payments, the member is responsible for ensuring they know how to correctly use the Zelle application. High Life Ski Lodge, Inc. is not responsible for any user error, application malfunction, or security of the relationship between Zelle and your bank account.**

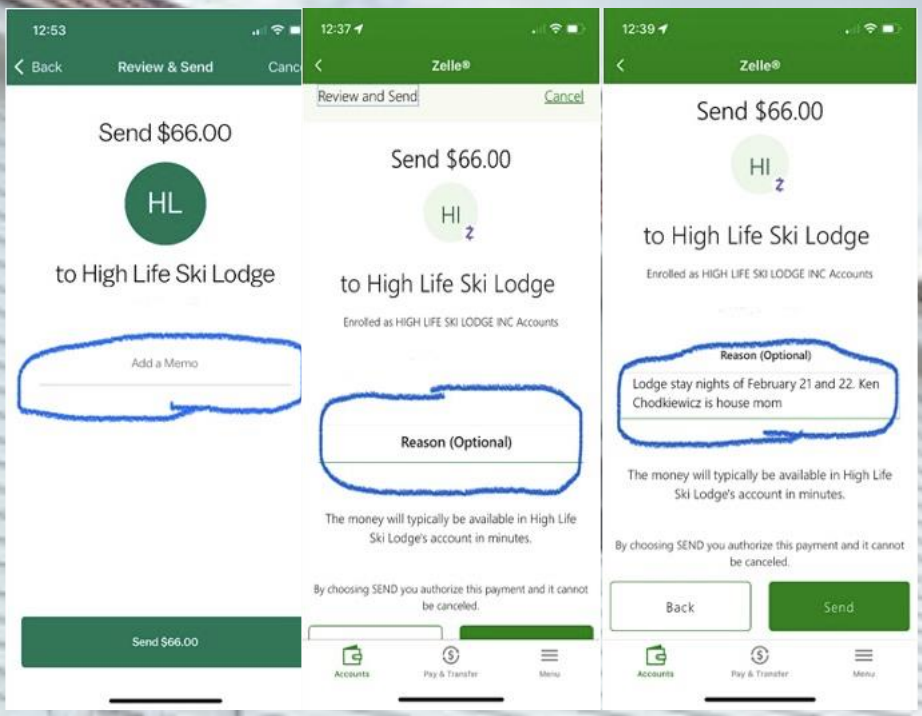

To pay using Zelle, please follow these instructions:

Confirm the recipient information with the House-mom. Input this information per House-mom instructions.

In the comment section, (may be listed as "Reason", "Add a Memo" or something similar based on your banking or Zelle app), please list dates of your intended overnights (ie. Jan 4,5,6) and the name of the corresponding house-mom. Including this information in the comment section eases tracking for your payments. Please note: This field is NOT required by Zelle to execute a transaction.....you must consciously input the requested information. See Screenshots below. Failure to include this information will result in a $5 penalty to be paid to the Lodge supply bucket.

LODGE GUIDELINES CONT.

Note: Your bank or Zelle app may look different. These are for example only.

Once you've completed the payment, please inform the house-mom. Optionally (if your personal banking information is not visible) you could additionally forward a screenshot or confirmation email.

REMINDER: *Making a Zelle payment prior to receiving house-mom confirmation of your reservation or failing to fill in the Reason/Memo section of the Zelle transaction will result in a $5 penalty.*

Reservations are taken in person at Club meetings as per the dates on the Lodge schedule, which is posted on the Club Web Page (or you can ask a House-mom to email you the .pdf). After that meeting house moms will accept reservations by email or phone call only!! No initial contact with a House-mom via text-message.

Please call during reasonable hours of the day (hint: if you have to ask yourself if it's a reasonable time, chances are it isn't)....*and remember that many of our House-Moms still work and might not be able to respond for several hours.* Our House-Moms do their best to acknowledge your communication as quickly as possible, but at times an immediate response is not possible. If you'd like to go to the Lodge, please allow ample time for your House-Mom to get back to you. During your initial communication please include the following information

***The High Life Lodge Committee loves our storm-chasers as well as those who love to spontaneously journey to Vermont. Please keep in mind that as you try to communicate with the house-mom, they may already be at the Lodge (especially if you are calling from Thursday-Monday). Please be sure to try calling the Lodge (802-773-9742) if you have difficulty communicating with the house-mom for your spontaneous plans.**

LODGE GUIDELINES CONT.

Your full name

2. Number in your group and composition (ie a couple, kids (ages), family, member or guest, etc) and their full names.

3. Date and day of arrival, the number of nights, and the date/day of departure

4. Your intended Payment method (Zelle, mailing a check, payment upon arrival, gift-card, voucher, etc)

-Below are some examples of the type of information that would best-help your communication with your House-mom. These are not intended to be all inclusive.... they're just samples.

Example 1

Hello my name is "John Smith". I would like to arrive at the lodge on Friday, Dec 1st and stay for 2 nights, leaving the morning of the 3rd. I will be alone. If I can get bed XYZ, that would be great but will take what is available. I can give you a check upon arrival or mail to you. Thank you

Example 2

Hello my name is "John Smith" My wife "Jane Smith" and I would like to arrive at the lodge on Friday, Dec 1st and stay for 2 nights, leaving the morning of the 3rd. Jane is also a member and we would like a couple's room if available. I can Zelle the payment and so as you can confirm. Thank you.

Example 3

Hello my name is "John Smith". I would like to make a reservation for myself, my son "Adrian Smith", my brother-in-law "Steve Harris" and his son "George Harris". Steve and George are not members. We would like to arrive at the lodge on Friday, December 1st, stay for 2 nights, and depart on the morning of the 3rd. If possible, I would like all of us in one room. I can mail you a check or give you a check upon arrival. Thank You.

Once you have your assigned bed, you are not allowed to change your sleeping location without approval from your House-mom. This includes taking a perceived empty bed in another room or in the attic.

There've been a few occasions when we have had members arrive late at night only to find someone in the bed/room they have been assigned. Mayhem and chaos ensue.

As House Moms we do our best to facilitate your reservation and make your Lodge experience as enjoyable as possible. We take into consideration each scheduled member coming-and-going, changes of plans (extending/shortening their stay), groups that would like to bunk in the same room, short notice requests and overlapping stays that cover two or even three different House Moms. Eighteen hundred bed nights is awesome...but can be a bit to juggle...so please, talk to the House Mom before moving from assigned bed/room. We promise to do our best to help.

We thank you for your cooperation and look forward to a wonderful Fall.

The Lodge Committee.

NJ SKI COUNCIL NEWS

1) Teton Gravity Research is offering its annual (Warren Miller type) ski movie. Unfortunately, it is not scheduled for a New Jersey showing unless Big Snow or Mtn. Creek picks it up. Currently it's being offered at two venues in NYC. but it isn't cheap. Pricing is according to the number of people sitting at the same table. An example is a table for 2 or 3 people will set you back $317.50. The price goes up from there according to people/table. If you want more info. regarding this event, log onto NJ Ski Council website or email me…..NJSkiman@gmail.com

2) NJ Ski Council Trips

a. Loon New Hampshire: this trip still has openings

b. Mt. Tremblant, Canada: this trip is closed

c. Banff, Canada: this trip still has openings

d. Hakuba Valley Japan: this trip still has openings

3) Note Regarding NJ Ski Council Trips: Pricing for the last trip is still not firm due to fluctuations in airfare. Apparently as long as the skirmish in the mid-East continues the air fare will fluctuate. Once it's locked in, I will communicate it to you. Council trips typically have options for room type, and some trips have more than one air fare depending on what airline and day of departure you choose out of those offered. Both of these items require participant choice and rather than risking the possibility of misquoting a price for air fare or room type, I highly recommend that members log onto the NJ Ski Council website (NJSSC.org) to get accurate and timely information.

4) Killington: Although I value my teeth and bodily structure, hundreds of other apparently don't place the same value on theirs and go mountain biking. Killington offers mountain biking throughout the summer and fall. While I ride a bicycle on flat surfaces, I have yet to rocket down a mountain fall line on two wheels. However, if you are so 'inclined' (yes a pun was intended) log onto Killington's website to get the latest update on Mountain biking events.

Happy Fall everyone,

Bob Zega

August Sitzmark NJ Ski Council Announcements

NJ Ski Council is sponsoring several trips next winter as follows:

1) February 7 - 12/2027 - Mt. Tremblant, Canada: This trip is full and closed. There may be an opportunity via the wait list but officially the trip was closed when signups reached 150.

2) February 28 - March 5/2027 - Loon Mtn. New Hampshire

3) Marah 1 – 24/2027 Hakuba Valley, Japan: This is an Epic pass trip and includes skiing at TEN ski resorts. Several add ons are offered to different cities if you want to see some part of Japan.

The dates for this trip depend on what option you choose:

1) three days/nights in Tokyo returning home on March 24,

2) three days/nights in Kyoto and three days/nights in Tokyo returning home on March 27

3) three days/nights skiing in Niseko and three days/nights in Tokyo returning home on March 27

The biggest challenge arranging this trip has been the price of air fare. We've gone back and forth with United and although this is less expensive than our first quote, we're astonished at how much it has gone up relative to trips to Japan last year. We will try and rebook at a lower price as we get closer to 2027, however we can't make any promises. If you are interested in this trip, please log onto the NJ Ski Council website frequently to check for updates. If any are issued, I will also report them in the Sitzmark.

Note on Japan. The price will be high. Room choices range from US $4K to $5K. Airfare is not yet available.

NOTES FROM SKI TRIP CHAIR

It's the beginning of the summer and we have to think about and prepare for the 2026/2027 ski season. At this point, HLSC will not have a European trip until 2027/2028. This coming season will be all about DRIVING TO DESTINATIONS We will use our Vermont ski lodge for trips within driving distances and of course local day trips from New Jersey. This way people can use their IKON AND EPIC PASSES. Think about Camelback and Blue mountain resorts. Belleayre, Gore, Whiteface. Stratton, Killington, Pico, Sugarbush...New Hampshire, Maine. I will be sending out information about skiing day trips or other extended domestic trips through EMAIL BLASTS AND SITZMARK NOTIFICATIONS

FREQUENT SKIER CARD: You can ski Belleayre, Whiteface or Gore Mountain for a discount by checking their websites for information. Here's one that I checked. https://www.belleayre.com/seasonpasses/#tab+pass-perks

COUNCIL TRIPS PLANNED: If your schedule doesn't permit you to join HLSC members lodge/ day trips, you may wish to take advantage of ski opportunities presented by the New Jersey Ski and Snowboard Council. Visit their website for ski trip details. Some of the HLSC members have signed up or are on the waiting list for the Mont Tremblant, Quebec, Canada driving ski trip.
